UPDATES FOR WORK IN PROGRESS

- \$300,000 CBDG grant for expansion of water capacity - an additional 200,000 gallon storage tank, pumps and water lines to be completed by July 2020.
- The application for a \$3-5 million EDA grant with 20% matching funds for a secondary water line is still in progress.
- Improvements to the Waste Water plant are 100% complete which include a new clarifier, electrical controls, piping and a new generator.
- A new city website will be launched on April 15. This will enable citizens to view information about the city, leadership and events as well as keeping the ability to make payments online. **Please be aware there will be an approximate 4-6 hours of down time on April 14 in order to complete the transition.**

SPRING CLEANING

Just a reminder, there are no permit fees to hold a yard/garage sale.

DOXO WEBSITE

When paying your water bill electronically, beware of this website. The City of Gregory has no contract with them. When you use this website to pay your bills, the payments are often subjecting you to late fees and possibly the disconnection of your services. Please do not Google search the website.
