US 181 SIGNAL SHUTDOWN AT SUNSET ROAD TO AFFECT INTERSECTION TRAFFIC

Traffic signals at US 181 and Sunset Road in Gregory will be out of service on Thursday

July 23, 2020

GREGORY – The traffic signals at the US 181 and Sunset Rd intersection will be temporarily out of service on Thursday, July 23rd and will be back in operation by the end of the day. Local law enforcement will be in the area to manually direct traffic.

This will allow work to progress on the US 181 improvement project underway in Gregory.

Motorists are urged to avoid the area by taking alternate routes, if possible, as it remains an active work zone. If traveling through the area, motorists are urged to use caution by slowing down in the work zone, following signage and traffic control devices and pay close attention to law enforcement officers at the intersection directing traffic.

For more information, e-mail Rickey.Dailey@TxDOT.gov or call (361) 808-2544.
